FOR IMMEDIATE RELEASE

Staffing Industry Analysts Recognize Advantage RN

Advantage RN named on Staffing Industry Analysts Annual List

West Chester, Ohio (August 20, 2012) – Advantage RN, a leading healthcare staffing company providing temporary professionals across the country, is celebrating being listed on Staffing Industry Analysts (SIA) 2012 List of Largest U.S. Travel Nurse Staffing Firms. The company was listed among a total of 14 travel nurse staffing firms, cumulatively representing 85 percent of the industry's market.

Companies were ranked by their estimated 2011 U.S. revenue generated in the travel nurse staffing healthcare segment, each producing at least $25 million in revenue. The list is aimed at providing a “big picture” reading of the U.S. travel nurse staffing sector of the healthcare staffing industry. Advantage RN was listed as the 9th largest travel nurse staffing company; it was the first time the company appeared on SIA’s Top 10 list.

About Advantage RN

Serving over 400 hospitals nationwide, Advantage RN has been on the fast track since its inception in 2003 and an annual growth rate of nearly 25%. The company staffs travel RNs in all specialty areas to hospitals and medical facilities as well as medical imaging, vascular, and radiation oncology healthcare professionals. Advantage RN is one of three divisions of Advantage Resource Network (ARN), a healthcare staffing company. Other brands under the ARN umbrella include Advantage Locums, a physician and physician extender staffing firm; and Advantage On Call, a firm providing short and long term nationwide staffing for Therapy and Government as well as local per diem staffing in Ohio, California, Arizona, Nevada, North Carolina, and Utah.
